DESCRIPTION OF THE FINE NEW BUILDING

It Will Contain a Reception Hall, Billiard and Reading Rooms

Although Jack Tar has a hard time at sea on many occasions, his life will be made comparatively easy when he puts up at the new Sailors' Home in Honolulu between cruises. Here he and aristocratic a captain as he ever sailed under; or if he has æsthetic propensities of his own, they cannot the new building, the contract for which has recently been let to the firm

Through the courtesy of Architect Ripley, under whose direction the plans to present its readers with the following:

64 feet and a depth of 74 feet, and on this authentic statement, which has band, he managed to get in a few the front and Ewa side will be sur- already been read in the Hawaiian words and three cheers for Cleveland, A large flight of steps at the main entrance will lead the visitor into a try is a materially 100. entrance will lead the visitor into a try is a materially different one from ing were something new in our hislounging room and hall 25x28. On the left of the building will be a billiard room 18x20, reading room 12x18 connected. In the rear of the purveyor which will consist of par-He will also be provided with a private staircase leading to his two sleeping rooms, bath, closets, etc., on the floor

On the upper floor there will be two large dormitories-one 18.6x28 and the other 18 6x17 for the use of the seamen-another, 16x18, for officers, and other smaller rooms designed for those who are willing to pay for a private There will be a roofed balcony on this floor 12x25. The main stairway is so arranged that from the landing one can descend either to the front or rear of the building. Washrooms and baggage rooms are also provided for on this floor.

The foundations will extend to the coral, the walls are all to be of brick and the roof of iron. The ironwork and comice of the roof projects four feet six inches over the outside walls. The building will be practically fireproof. Work has already commenced on it and the structure must be completed by December 1st. The firm of Lucas Bros, are the contractors.

Previous Ouick Passages.

The remarkable run of the W. G. Fair Wind made the trip in 8 days 171/2 how soon Colorel and Mrs. Biount will hours. In 1881 the W. G. Irwin broke the record by making a passage from San Francisco to Kahului in 8 days 17 hours. Of late years the best time has 20 hours.

A Sunrise Wedding.

Cathedral this murning at which Mary costs. Copeland Kinney was married to Professor Philip Henry Dodge of Oahu College. Both the contracting parties ation will hold a reception at its hall are favorites in Honolulu society. The to morrow evening at 7:30 in honor of ceremony of marriage was performed D. W. Corbett, the new General Secreby Rev. Alexander Mackintosh, in the tary, and H. W. Peck, the retiring of presence of intimate friends of the fic al. wedded pair. Mr. and Mrs. Dodge sailed in the Australia for the coast, but will return in the fall.

MR. STEVENS ABROAD.

He Speaks to the People of Chicago Favorable Press Comment.

Hon. John L. Stevens, according to Chicago dispatch, has been heard from in that city on the Hawaiian question. He made another address there on the lines of his San Francisco deliverance, extracts from which were telegraphed all over the country, receiving favorable comment.

Speaking of Mr. Stevens' San Fran-

says: The exposition of the Hawaiian will find every possible accommodation ter Stevens on his arrival from Hono- while the bulk of the crowd consisted that could be desired by as wealthy lulu and published in full in the Bull- of the lower classes of natives. Word influential papers in the Eastern States. fail to be gratified by the general appears in the Maine papers, while an they did on every possible occasion. arrangements made for his comfort in extended synopsis was sent forward by at the back of John E. Bush and the of Lucas Bros. for the sum of \$15, the telegraphic abbreviation, but afterof the new building have been prepared and under whose supervision its erection will take place, the STAR is enabled to much as this clear, truthful and forcible exposition by Minister Stevens. There is only here and there a note of the

corner of Richards and Halekauila presented in this statement than in the streets and will front to the ocean. The more doubtful, if not fictitious, statelot on which it is to be built is 135x230 ment of what Mr. Blount thinks. If feet, and what space is not occupied the country accepts the policy to be by the building proper is to be laid pursued toward Hawaii as outlined by out in lawns, flower beds, etc. The Stevens, it will be useless for Cleveland building itself will be somewhat original to attempt to wipe out what has been in native in which he reiterated the in its design, the architect having given done, and allow Hawaii to be further substance of Cleveland's remarks to careful consideration to the requisites of demoralized. There is the law of Minister Thurston, eulogized Charles light and air, together with climatic, public opinion, which, when once Nordhoff, and wound up by calling sanitary and other conditions, which clearly expressed, is stronger than any three cheers for him. These were give have heretofore scarcely received sof one man. That this public opinion has been, and is being powerfully in hand and the native claequers of the tecture. With this in view he has fluenced by recent events in Honolulu Hawaiian Patriotic League, the two planned a somewhat unique structure and the Stevens exposition, is to day drums and cymbals of the band make which really consists of two wings con- the most suggestive fact in connection ing the most of the noise. Bush nected at the front, but with an open with the situation. The public wanted afterwards endeavored to get in some courtyard at the rear. Under this to know all the facts from competent more Nordhoff business but the preshappy arrangement every room in the authority. It has got them at last. happy arrangement every room in the building has a perfect draft of sea air through it at any time. No matter from which direction the wind may blow perfect vertilation is assured in side of the country. These have not have been heard in any event, as his blow perfect vertilation is assured in side of the country. These have not blow, perfect ventilation is assured in side of the country. These have not been successfully controverted. If they were accepted without comment, of what he was trying to say. After-The building will have a frontage of they have given additional emphasis to wards, between breathing spells of the

lounging room and hall 25x28. The whole front of this portion of the building is so arranged that it can be thrown open at any time, the occupant thus getting all the air possible.

On the right is the dining-room 18x

The that which had been presented in denunciation of the policy of President Harrison and that, supported by Minister Stevens. No man has ever so completely had the ear of the guardians of the peace, and that their recurrence should be prevented at the country for a few days past on the guardians of the peace, and that their recurrence should be prevented at the country for a few days past on the guardians of the peace, and that their recurrence should be prevented at the country for a few days past on the guardians of the peace, and that their recurrence should be prevented at the country for a few days past on the guardians of the peace, and that their recurrence should be prevented at the country for a few days past on the guardians of the peace, and that their recurrence should be prevented at the country for a few days past on the guardians of the peace, and that their recurrence should be prevented at the country for a few days past on the guardians of the peace, and that their recurrence should be prevented at the country for a few days past on the guardians of the peace, and that their recurrence should be prevented at the country for a few days past on the guardians of the peace, and that their recurrence should be prevented at the country for a few days past on the guardians of the peace, and that their recurrence should be prevented at the country for a few days past on the guardians of the peace, and the country for a few days past on the guardians of the peace, and the country for a few days past on the guardians of the peace, and the country for a few days past on the guardians of the peace, and the country for a few days past on the guardians of the peace and the country for a few days past on the guardians of the peace and the country for a few days past on the guardians of the pe 30, in the rear of which are china Hawaiian situation as this ex Minister, any cost.
